

MONTESSORI CHILDREN'S GARDEN NEWSLETTER JANUARY 2012

20 CIRCLE DRIVE
NORTH LIBERTY, IA 52317
(319) 665-9625
MONTGARDEN@SOUTHSLOPE.NET
MONTESSORIIOWA.ORG

Dates to Remember:

- Monday, January 16th—No school, Martin Luther King Day. There will be a teacher in-service day on that day.
- Sunday, January 22nd — 1pm to 3pm. **Montessori Children's Garden Winter Carnival.** Shake away the winter blahs! Come join us for an all family event! Games, snacks, cake walk, musical performances, and crafts.

*We need baby food jars and lids for a craft project.

*We need talented individuals for face painting.

*We need cakes (or cupcakes) for a cake walk. This was very popular last year so we need lots of cakes!!!

We really need your help so please sign-up. Volunteer sheet will be placed outside the classroom doors.

Just a Reminder...

If you have a child currently enrolled and you want their sibling placed on the waiting list, you must fill out a registration form. There is no charge for this.

Thank you

We have collected \$67 for the Heifer International project. Our goal is \$120 to purchase a goat or a cow. We will have a booth at the winter carnival to collect the rest of the donation.

Consider us for your child's Kindergarten year!

If you are thinking about next year, please remember that we offer kindergarten here at Montessori. We will hold a meeting in February to discuss the kindergarten program.

Quotable Quotes

A child informs her parents that Miss Tina has a baby.

Mom asks, "Where is it?"

Child responds, "In her cubby."

"My mom doesn't make me eat the green things so she lets me be sick."

Teacher talking about Thanksgiving: "People from Europe sailed all the way across the ocean to North America."

Child says, "Yeah, they came on the cauliflower."

Classroom News

Mrs. Jones' class is studying fish, directions-North, South, East and West.

Mrs. Honey's class is studying Antarctica and magnetism.

Ms. Tina's/Miss Joy's class is studying landforms and invertebrates and South America.

Ms. Emily's class is studying solar system and magnetism.

Tax ID Number

Tax season is approaching. If you need it, our tax ID is 75-3125151.
