Enrollment Policies and Information

Registration: A child must be registered before attending the school. Essentially this process puts the child on the waiting list for enrollment. To register, complete the attached registration form and submit it with a \$75 non-refundable registration fee to the school. A child can be registered any time before enrollment.

Eligibility: To attend the school, a child must be three years old, and toilet trained.

Enrollment: Enrollment forms will be sent to registered children in early spring. Forms should be completed and returned by stated date for the fall and summer program.

Openings: Full and part-time Openings are determined by the student/teacher ratio and the number of students permitted by the childcare license. Enrollment is determined by the following priorities: students currently enrolled have first priority for successive enrollment, students from the Montessori Children's Nursery have second priority, siblings of students have third priority, and lastly registered students have fourth priority and will be determined by date of completed registration.
